Outside of a dog, a book is
man's best friend. Inside of
a dog it's too dark to read.

Groucho Marx

The dog is the
God of frolic.

Henry Ward Beecher

Charity is not a bone you throw
to a dog, but a bone you share
with a dog. *Chinese Proverb*

You can trust your dog to guard
your house,
but not your sandwich.

Anonymous

I like dogs. You always know
what a dog is thinking.
It has four moods. Happy, sad,
cross and concentrating.
All dogs are faithful and they do
not tell lies because
they cannot talk.

Mark Haddon

Programmes available throughout 2018

To celebrate **The Year of the Dog** Australian storyteller, author and musician Morgan Schatz Blackrose and Swiss visual artist, Roman W. Schatz will be available to visit your school in 2018, to present specially themed storytelling-based arts programmes.

The dog was the first animal to be domesticated by humans and ever since has played an important role in all human societies. Dogs symbolize loyalty and friendship, core values in the fostering of internationalism. Through the mediums of oral literature, visual art and music we will explore these values with your students.

Your school can book us for an educational and enlightening visit at any time during the year. This programme is adaptable and age appropriate to fit your curriculum and student needs.
